

Time to roll!" I said as Noah turned on the lights and sirens.

Wee-oow
Wee-oow

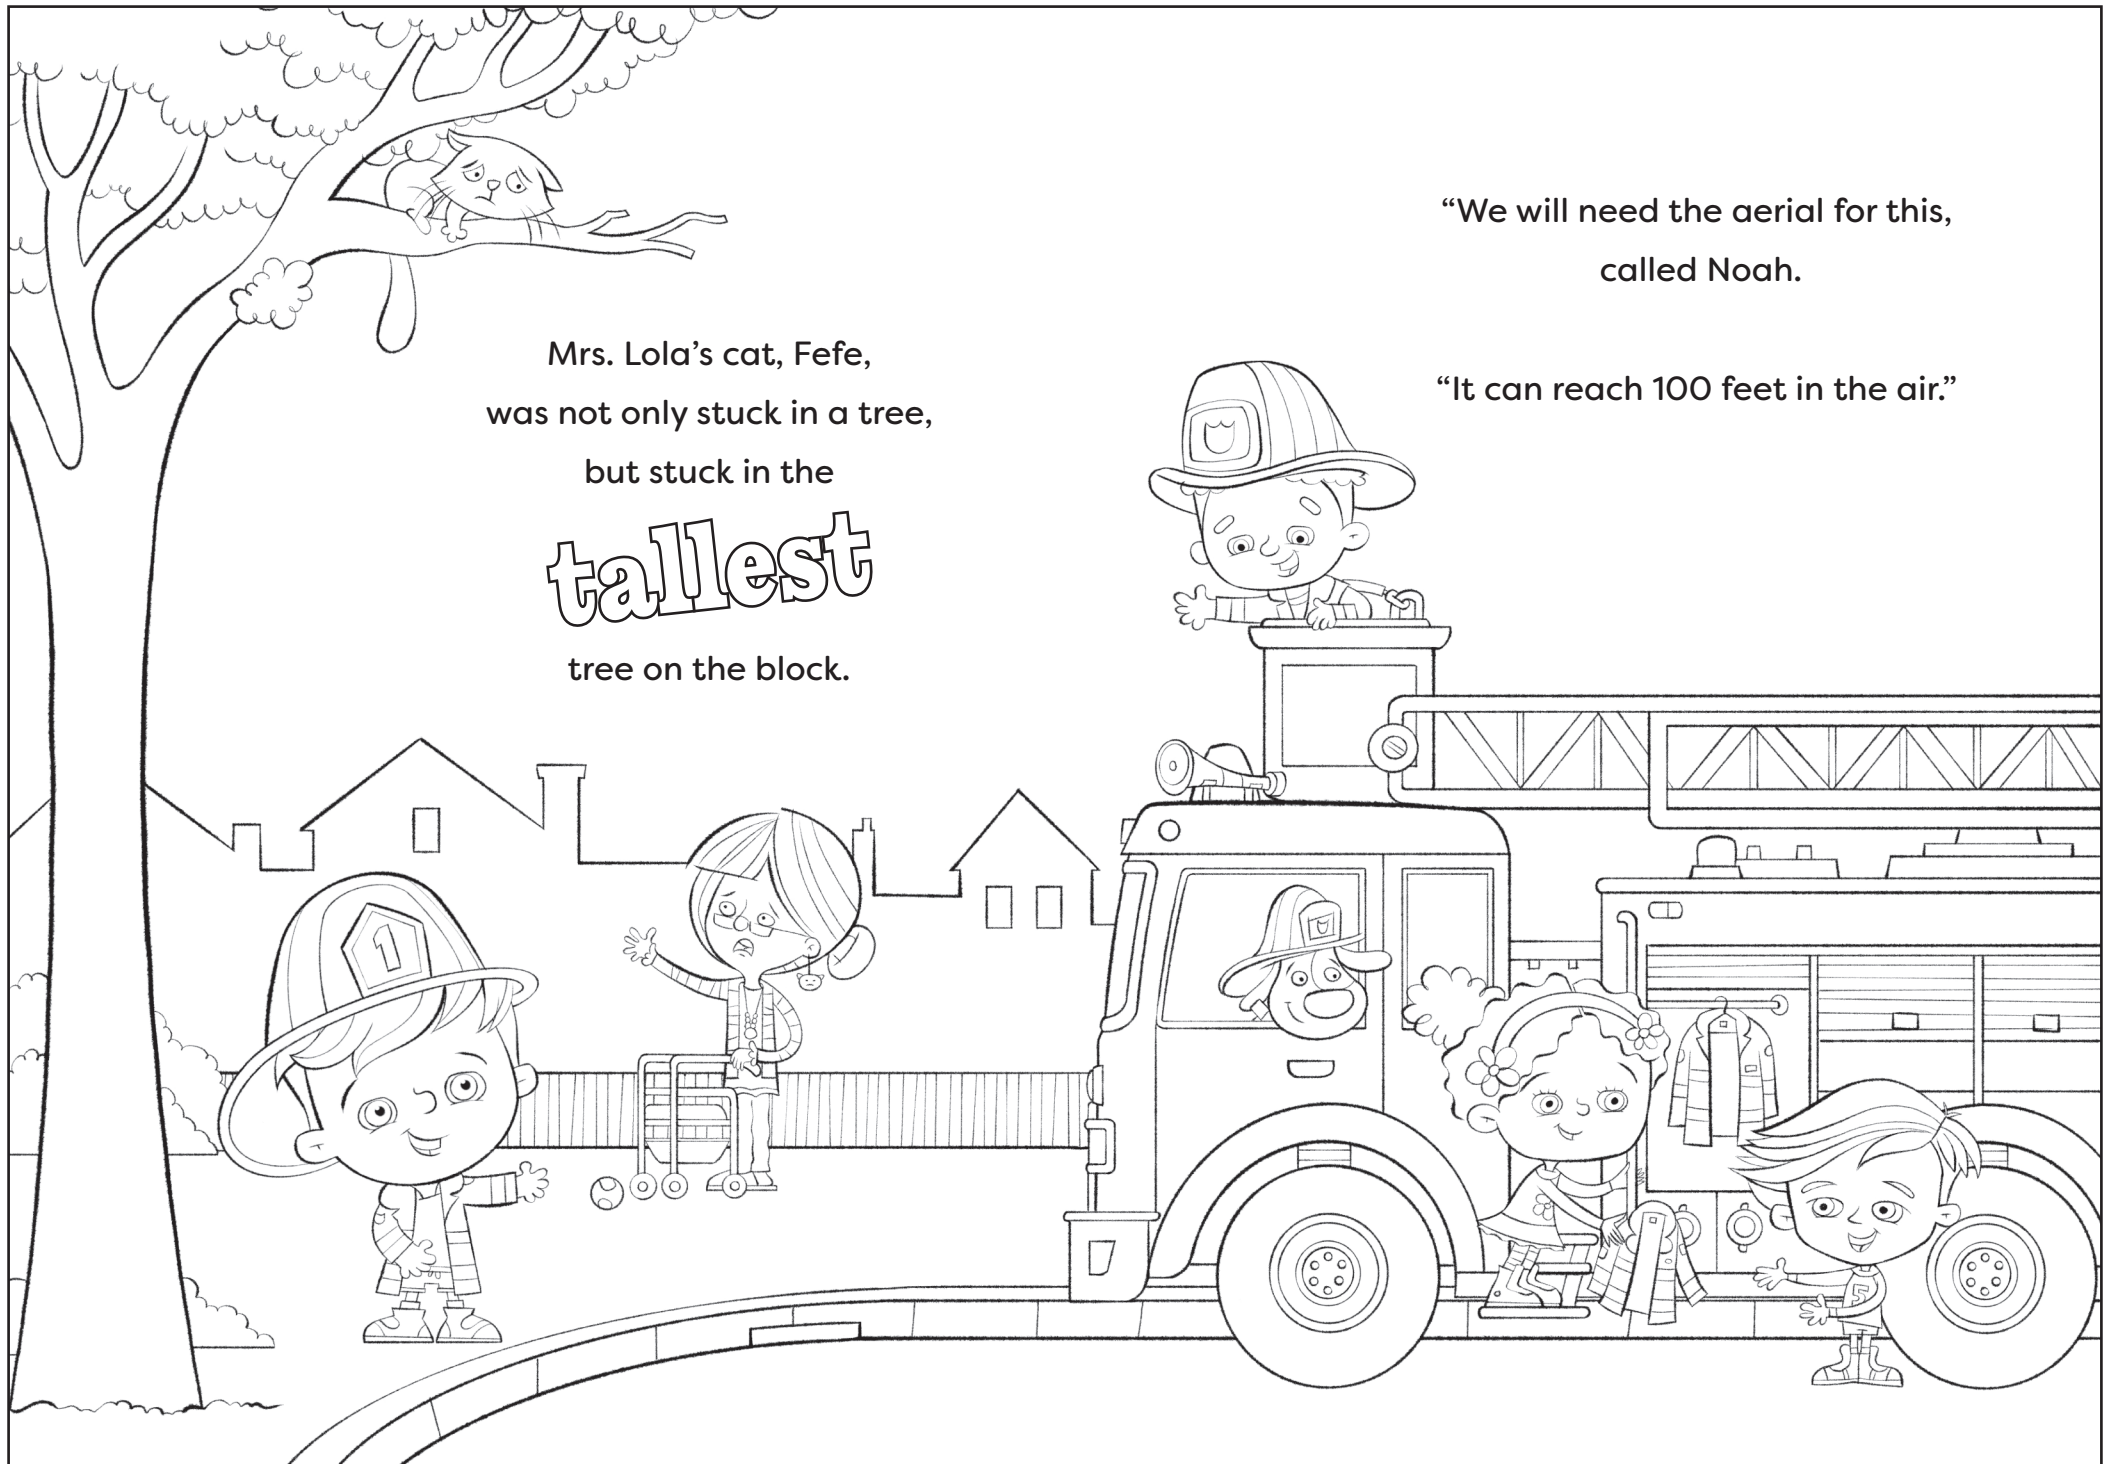

Mrs. Lola's cat, Fefe,
was not only stuck in a tree,
but stuck in the

tallest
tree on the block.

"We will need the aerial for this,
called Noah.

"It can reach 100 feet in the air."

“Oops,”

Mikey said as he knocked
over a fire hydrant.

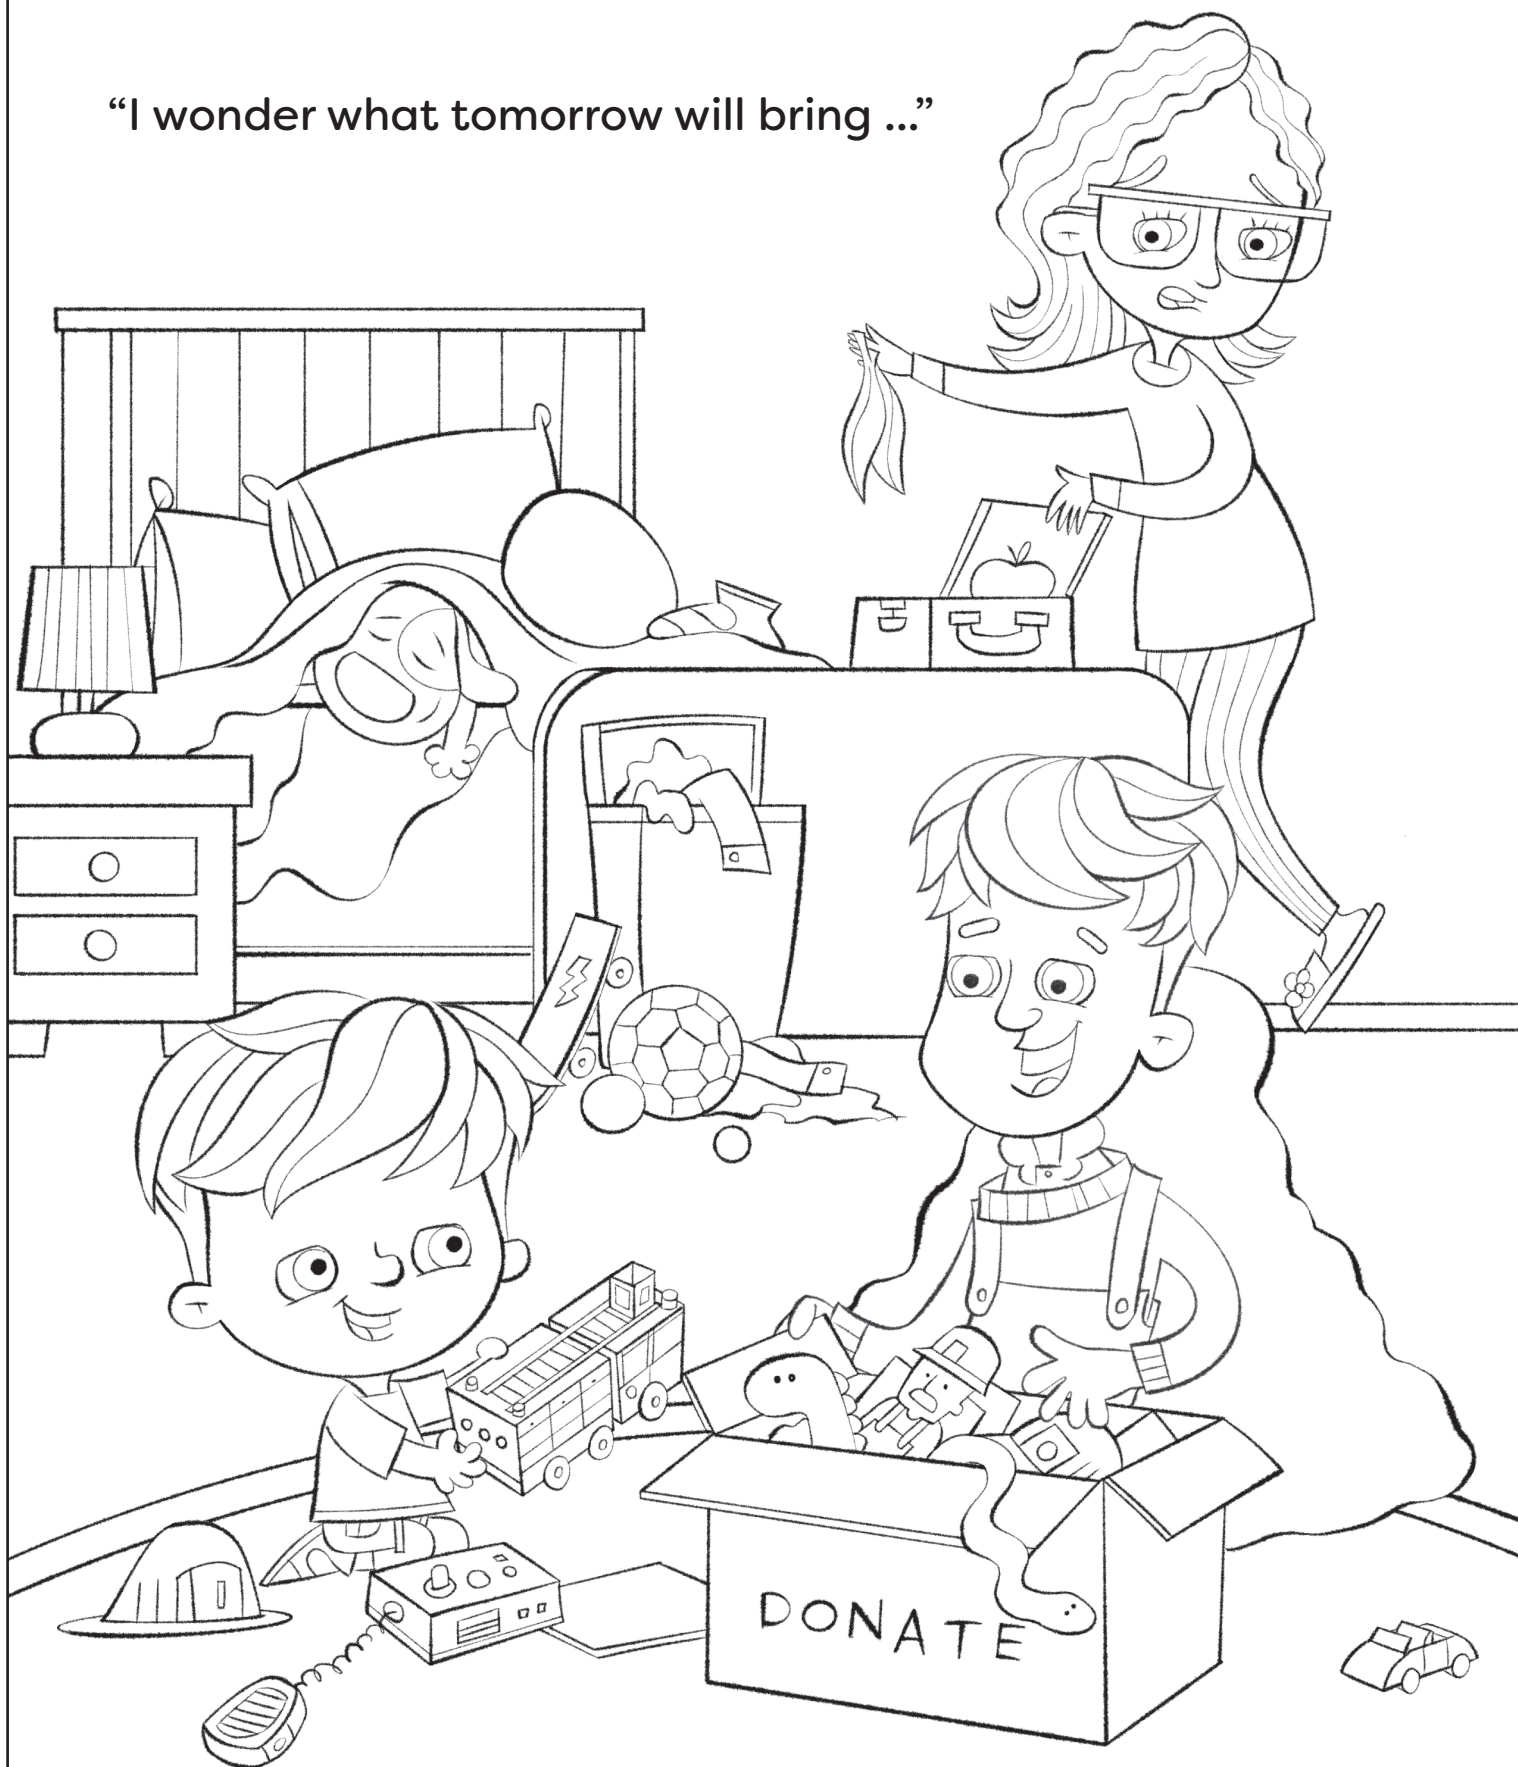

“Whoa, that is one strong hose,”

“Let’s roll!”

Emma shouted.

“I wonder what tomorrow will bring ...”

We reminded everyone about fire safety and told them they did the right thing by calling us immediately.

A FIRE TRUCK!

What was a shiny red fire truck doing in front of my house?
